"We had celebration hugs in the car park for a sensational holiday. We have tried to agree a holiday high, but there were so many fantastic parts - miles and miles of twisty roads, beautiful scenery, friendly natives, glorious weather, zero traffic, excellent food..

Our grateful thanks go to FLYRIDE-USA."

Rave Reviews...

"It's been a while since our return, and we've been in a constant state of denial. Having become accustomed to solitary confinement for hours at a stretch, interrupted only by brief intervals of inane banter, the brain is no longer equipped for life in an office environment.

The mileage was grueling, but justified by the magnificence of all there is to see and all the people who make America what it is. In every bar, restaurant, supermarket, drive-thru coffee shop and town that time forgot, characters abound.

If this sounds uninspired, it's because we're at a loss for words. Maybe we've just got a taste for freedom, a life on the road, few responsibilities and the time to enjoy. Sign me up, Scotty..."

Sarah Leonard & Carole Hubbard

"Having returned from a two-week tour, incorporating Oregon, Idaho and Wyoming, I should like to record our grateful thanks.

Ever since my initial enquiry and acceptance of the idea, the paperwork has been minimal and the organisation most efficient.

The bike was great, and a very willing workhorse which dragged my wife and me, plus all of our luggage, over 2,800 miles without once missing a beat. What more could be asked?"

Paul & Val Heley

"I had an awesome ride and appreciate all you did in setting me up with a great bike, maps and an awesome route!

Oregon is definitely a beautiful place to ride – I had no idea how gorgeous the land is out there.

Thanks again, if I ever make it out that way again, I'll give you a call for another ride.

Thanks!"

Scott Lee

"On behalf of the travelling classes (creaky old crinklies), we thoroughly enjoyed our trip.

It was a long journey. But gosh, we saw a lot and met a lot of nice folk. It was worth it! Thanks for everything."

Arthur Withey

"I rented a motorcycle from your shop in Bend this last summer and would like to be added to your list of vocal riding customers with the following remark:

'The best part of the family reunion at Sunriver was hopping on that big motorcycle with a passenger and riding the Century Drive loop. Everything else I did during that week was tame by comparison.'"

Andreas Mueller

"We've been back at work for about a week and are now ready for another tour even though we still haven't sorted the 120+ pictures and over an hour of video!

Many thanks for another SUPERB holiday."

Mike & Di Asplin

"It's been eleven weeks since the most wonderful holiday of our lives. We have found it almost impossible to settle back into the 'normal' routine of everyday living in England.

Thank you for the time and care you put in, and for the experience you led us to."

Jenny Baxter & Rob Boss

"This is just a short line to say thanks very much for our FLYRIDE-USA adventure; we are still on a high now. We can't thank you enough.

Regards and THANKS."

Lionel & Mark Jennings

"I would describe this holiday as a total adventure, memorable for many reasons. The route was staggering – crossing the Golden Gate Bridge into San Francisco, riding the Big Sur [PCH-1] and visiting Yosemite National Park... 2,500 of the most enjoyable miles of our lives! We have still not come to terms with the whole experience some two months on, it really was *that* good!

We recommend FLYRIDE-USA to those who have a sense of adventure, as America is literally the place where dreams can come true if you are prepared to make the effort.

We will certainly be going again with FLYRIDE-USA!"

Kevin Evans & Peter Holmes

"We chose FLYRIDE-USA as they were the least expensive bike hire company, and also the friendliest. With excellent service and a personal touch, their staff went out of their way to help us, including an extra day on the bike for free and courtesy transport to-and-from the airport.

The scenery was spectacular, and could change from stunning coastline to shimmering desert to national park forest in a day's ride. Top trip, thoroughly recommended!"

Sarah & Kevin Nicholson

"Even after several bike tours of Europe, this was something special. With the benefit of FLYRIDE-USA's local knowledge, we had two brilliant weeks of stunning scenery, glorious weather and the most fattening breakfasts ever!

Thanks to FLYRIDE-USA's route planning and excellent choice of motels/hotels, we had nothing to do, except enjoy ourselves.

Would we recommend it to others? Certainly! Anyone with a spirit of adventure couldn't fail to enjoy themselves. Will we go again? We certainly hope so!"

Mike & Di Asplin

"We selected FLYRIDE-USA. They not only had the package we required, at the right price, but they also displayed a genuine friendly politeness, so rare these days."

We recommend this holiday. 'GO! You will not be disappointed! Indeed, we shall continue to recommend the 'FLYRIDE-USA experience' as long as our brains are functioning."

Chris & Angie Birch

"Just a note to let you know that we arrived back in the UK safely."

Our holiday was everything you said it would be – truly awesome! We were already talking about *next* year's trip on the plane going home.

Thanks for a GREAT holiday."

Julie & Joseph Horsfield

"Home 6 weeks now and people are *still* asking me how I enjoyed my holiday. I tell them it wasn't a holiday – it was an *adventure*."

Thanks again for all your help in making my 'holiday' the adventure of a lifetime."

Vincent Drain

"FLYRIDE-USA's excellent service and planning made my vacation a tremendous success and a high point in my life – not just my motorcycling life."

Ken McMunn

"The USA at 70 plus...
(Years-old I mean, not MPH.)"

We are still trying to come to terms with all that we have seen and experienced. We rode across prairie, rode 100 miles following the same river, rode over an 11,000 ft pass in the Rocky Mountains, went into a canyon deeper than the Grand Canyon, met friendly people everywhere and talked to dozens of bikers. The whole trip was just magic.

We have been biking for 52 years and have been to most places, but the USA really opened our eyes to what a wonderful world we live in.

We did our homework beforehand and had the utmost help from FLYRIDE-USA.

It's not cheap, but save-up, hit the plastic, anything. But do GO! You'll never forget it."

John & Joan Courtney

"The tour itself was an amazing experience, which surpassed all our expectations. Anyone thinking of doing this tour [CD] should stop thinking and DO IT! Life is too short to miss the 'DREAM'."

Our thanks once again to the dedication of FLYRIDE-USA's crew."

Colin Northern & Irene Clayton

"We would both like to take this time to thank you for making our vacation to Central Oregon very special and most memorable."

Your customer service was excellent and your machine was top notch.

Thank you for being part of the great vacation getaway."

Bob & Peg

"Having always toured the UK and Europe we decided, at two weeks notice, to hire a bike and take three weeks touring in the USA."

It was the best biking holiday we have had, everything was covered. We arrived in 75°f and then experienced temperatures up to 104°f. On arrival back in Bend it was snowing in the mountains, although still nearly 80°f in town!

We will definitely go back to FLYRIDE-USA and book another touring route, there is so much more to see. THANK YOU."

Patrick & Eileen Bullimore

"The bikes were well suited to the job, being both comfy and handling well two-up with luggage."

The hotels were also good value-for-money, and FLYRIDE-USA staff gave us friendly, personalised attention from start to finish. We'll definitely be going again."

Frequently Asked Questions

How do I book a FLYRIDE-USA Vacation?

FLYRIDE-USA's touring season runs from mid May through late October. You can book your holiday by email and/or telephone, or through your travel agent. Send in your reservation request – we will get back to you with motorcycle availability ASAP.

What's included in a Self-guided Package?

Classic Route™ (or route planning), touring motorcycle, unlimited miles, E911 capable mobile phone, orientation, map, roadside assistance/rescue/recovery, on-the-road tour support via e-mail, text and voice, first tank of fuel, liability insurance and empty luggage storage. No charges for passenger. No sales tax in Oregon.

Where do we fly to?

FLYRIDE-USA's local airport is Redmond, Oregon (RDM). Riders generally fly via San Francisco (SFO), Denver (DEN), or Seattle (SEA). Flights to/from RDM are very scenic. Get a window seat! Flights are not included with FLYRIDE-USA Self-guided Tour Packages.

What about airport transfers?

Several airport shuttle services provide inexpensive transportation between Redmond Airport and tour lodgings in Bend, Oregon. Airport transfers are not included with FLYRIDE-USA Self-guided Tour Packages.

Do we start riding on our arrival day?

Most riders arrive one or two full days before the start of their tour. International riders are required to arrive at least one day (24 hours) early for jet-lag recovery and acclimatization. Bike(s) can be delivered to your hotel.

Do we ride every day on suggested routes?

FLYRIDE-USA's proven tour itineraries include well-placed rest and contingency days – often staying two nights at the same location. These days provide time for relaxation, sightseeing, exploration and motorcycle maintenance. See *Classic Routes™ Itineraries* booklet (or PDF) for detailed tour route information.

What level of experience is required?

Minimum rider age is 20 years. There is no upper age limit. Riders are required to have two years fully-licensed ongoing road riding experience with 600cc+ motorcycles.

What documentation is required?

Riders will need to present their motorcycle operator's license/licence and the credit/debit card shown on their Tour Agreement. Non-US citizens will need to present their passports. Documents must be valid through tour dates.

What gear should we bring?

We recommend comfortable (on and off the motorcycle), protective, lightweight, breathable, weatherproof, layered clothing; lightweight, breathable, weatherproof boots; unscratched/new tinted and clear visors; two (summer and winter) pairs of gloves and good quality sunglasses (that work with your helmet).

What about empty luggage?

For your convenience, empty luggage can be left in storage with FLYRIDE-USA for the duration of your tour.

What will the weather be like?

The weather in the Western States and Provinces is predominantly sunny, dry and warm from mid May through late October. Temperatures can vary widely with elevation.

Are there optional excursions?

Grand Canyon flights, Monument Valley 4X4 tours, Columbia Icefield tours, Yosemite hiking, Hoover Dam 'Hard Hat' tours, Rogue River jet boat tours, Rocky Mountain 4X4 tours, Columbia River sternwheeler cruises/dinners, jet skiing, North America's steepest mountain gondola, dinner trains, whale watching, horse riding, festivals, concerts, natural hot springs, beaches, spas, historic sites, nature reserves, National Parks...

What is the Vehicle Security Deposit?

The VSD is a credit/debit card authorization (not a charge) for US\$1950. It is recommended that all riders confirm the availability of funds on their credit/debit card account before travelling.

What is Collision Damage Waiver Insurance?

In case of 'at-fault' motorcycle damage/loss, optional CDW insurance (recommended) conditionally limits rider's liability to US\$1950. If CDW is declined, rider's damage/loss financial responsibility may be rated up to the replacement value (MSRP) of the vehicle and accessories.

What is New Tires/Tyres Supplement?

Avoid mid-tour tire/tyre changes and potential for inconvenience. Optional NTS guarantees new tires/tyres fitted to your motorcycle from day-1 of your tour. NTS is recommended for tours over 15 days. NTS is included free of charge for tours over 22 days.

What is Hotel Reservation Service?

Optional HTL pays a reservations agent \$20/room-night to arrange the best locations, properties, rooms, views, rates, breakfasts, hot tubs, pools, bike parking... Riders pay for rooms at hotel check-in/check-out. HTL reserves rooms at negotiated rates, saving riders 15%-25% on standard room rates. HTL is available on all Classic Routes™.

What kind of accommodation can we expect?

HTL reserves well-located customer-recommended lodgings, usually with swimming pool, hot tub, laundry facilities and breakfast. Optional GPS is recommended for easy and reliable guidance to hotels reserved via HTL.

What about Coast-to-Coast Tours?

Create your own Trans-America tour by riding from our Oregon base to the Atlantic Coast, and back to the Pacific Coast in a 22-day+ loop tour. Loop tours offer the best value-for-money-and-time because they avoid one-way charges for vehicle delivery and/or retrieval.

What about sales tax?

Unlike many states/provinces, there is no value-added sales tax in Oregon. The prices shown are the prices you can expect to pay. No surprises. No hidden extras.
